Captain Trish says Ambrose event a success despite the weather!

What a relief that players support the cause despite the weather! A wet and cool day awaited but golfers simply donned their wet weather gear and warm clothes and toughed it out. Thank goodness!

27 teams (108 players) turned up representing 16 clubs. All were anticipating having a hot score in the 4 person Ambrose event and a chance of winning one of four events (best scratch, and best men's, mixed and women's handicap), plus prizes for the Runners Up.

The day had been once again generously sponsored by Jodie Reeves from KST Cleaning Services, supported by Hanson Cleaning Services and Beaton's Stores, enabling each winning team member to receive a generous voucher.

There were many other generous supporters of the day, including all the country team players and caddies and Sam Jones. With this wonderful support and the generosity of the many golfers in the district, Country Team Captain Trish Grinter could not stop smiling as the day just got better and better.

Hungry golfers eagerly bought most of the hot food prepared for them (lovely soups (a sell out!), a BBQ, selection of hot foods and delicious scones, jam and cream for afternoon tea)

and kept buying more competition tickets when sitting in the warmth of the clubhouse, waiting patiently for the winners to be announced.
