DALHOUSIE PRESIDENT

Helen Findlay

The Autumn Tournament conducted by WGV in Euroa on May 3rd and 4th was most enjoyable. The weather was perfect, the course excellent and the organization exemplary, which made the whole event run smoothly. Many Dalhousie players attended and some were successful on the first day.

Helen Hill and Liz Amos enjoy a cuppa at the WGV tournament in Euroa in early May.

Representing Dalhousie, I attended the launch of Liz Amos book at the Marysville Golf Club. Peter Thomson launched the book and also bestowed Life Membership of the Marysville club on Liz. Congratulations Liz, a most worthy honour for a much respected and admired golfer in our district.

Thank you to all who attended the recent WGDD meeting in Broadford. We managed to work through Match, Committee, Finance and Delegates meetings efficiently. I enjoyed listening to the reports of all our clubs. Marg Fanner is busy working out ideas to run a Rules Trivia, lunch and nine hole golf day Thank you Marg for your interest and support.

Pennant for 2011 is now over. Congratulations to Kilmore (are they still celebrating?), Woodend and Eildon. Thank you Liz Gee for your organisation and to all host clubs for the use of their courses and facilities. There are some ideas floating around on how to improve Pennant conditions in the future. Please send ideas to Sue McCall

Sandra and Trish celebrating Kilmore's Division One victory.

or Liz Gee for consideration at our next delegates meeting to be held on Friday 26th August.

After such a hectic golf calendar in April and May, I am looking forward to catching up a bit at home! Best wishes to those who could be feeling better at the moment.

CAPTAIN'S REPORT

Liz Gee

On Monday 30th May, the 2011 pennant season wrapped up with the finals being played at Seymour. With only three divisions this year, all finals were able to be played at the one venue. The three teams that finished on top of the divisions, also won the finals. Congratulations Kilmore in Division 1, Woodend (Division 2) and Eildon (Division 3). It was consecutive finals wins for Woodend and Eildon, and the first in 12 years for Kilmore in Division 1.

Over all, I feel the pennant season was a success, even though we were down on participants this year. Those who took part enjoyed the opportunity of playing match play and visiting other courses in the district. The weather, in general, was kind to us, and all matches went ahead as scheduled. The season probably stretched a little longer than usual, due to Anzac Day/Easter and with the Country Tournament at Euroa, falling in the middle of the rounds. Thank you to all who took part, the clubs that made their courses available and the other club members who helped out preparing lunch for the hungry pennant players.

If your club has any suggestions for improving pennant, and encouraging greater participation (we do have Division 4 and 5 shields in storage) please put your thoughts in writing, either by email or letter, and send to me prior to the next match committee meeting which will be held on the last Friday in August.

The next Dalhousie event is the Jean Walder Bowl at Yea on Thursday 7th July. It would be good to see every Dalhousie club represented with one or more teams. Get your entries in to Lyn Carracher. She will be running this event in my absence (I will be on a family holiday with my grandchildren). In the meantime, GOOD GOLFING.

ALEXANDRA by Marion Nicholson

With winter approaching, the annual pilgrimage to warmer climates is happening once again. We are still running our Monday morning nine hole competition which is averaging around nine players each week. Wednesday competition days are still relatively stable with around 20 players.

Unfortunately due to a number of different circumstances, we didn't manage to enter a pennant team this year. Congratulations to all teams who did compete and well done to the three winning teams. Hopefully we will be represented next year.

Our Monthly Medals winners since the last addition are Kay Dumbleton (April) Sue Sreatorex (May) and we have a play off for the June Monthly Medal this week between Dawne Cann and Joanne Robinson. We also have a play off for the Silver Spoon between Helen Wilson, Dawne Cann, Kay Dumbleton and Joan McDonald. Good luck ladies. Mor Gale and Jenny Johnston were the winners of the RWH 4BBB and will represent our club later in the year.

As usual we have had many players representing our club at various Tournaments, Bowls and WGV organized events. A big thank you goes to the organizers and sponsors of these events. We enjoy the friendship, hospitality, great lunches as well as the opportunity to catch up with familiar faces and meet new people. Each course has its own beauty and the challenges each has to offer are no doubt character building. We are thrilled to have at last brought home the silver with our winning teams at the 2011 Seymour, Strathbogie and Yea Bowl's.

Congratulations to Mor Gale, Marion Williamson, Joan McDonald, Dawne Cann, Sandy Wettenhall, Marion Nicholson and Barb Doyle who were the members of

these winning teams. Great *effort* girls! The drought certainly has broken. We may need to investigate a bigger trophy cabinet. We have had a number of members on the sick list this year. We are thrilled to see Anne Sunton back playing again. Anne was in a car accident at the end of last year and was hospitalized and in rehab for many months. Welcome back Anne; your courage and determination are inspirational to us all. Marie Stace is recovering well after surgery earlier in the year. Rumour has it that she is under strict instructions not to attempt a full swing as yet but is getting in plenty of practice with a half swing. We look forward to seeing Marie back playing in the near future.

Anyone wishing to know the secret formula to picking the trifecta in golf bowls teams (Alexandra has won three in the last three weeks) can get in touch with Mor Gale, the tournament secretary and she will pass on the magic formula.... Requirements. You must like the wee drop of red wine and not be afraid to handle money spiders. Solution sound suss?..... Believe me it is!!!!

EILDON by Lyn Capp

What a busy time we've had during May.

The highlight for the Eildon ladies was winning WGDD Division 3 Pennant for the third year in a row along with our men's pennant team. We played Strathbogie in Seymour and had a 4-1 win. The celebratory dinner in the evening was a lot of fun as we recounted our efforts. Team members were Helen Findlay, Wendy Newman, Sue Aitken, Lyn Capp, Judy White, Ann Bumbers, Jan Matthews and Carole Graco.

Winning the Alexandra Bowl in April was a big surprise which Wendy, Helen and Lyn celebrated at the 'local'. Helen was a bit embarrassed to have to get Graeme (husband, he was not amused!) to drive her back later in the evening to retrieve the Bowl, which she'd left behind. (cont page 4)

The first of the three Bowls won by Alexandra. This one at Seymour and don't they all look pretty happy!

EILDON (continued from page 2) A successful fundraising event took place at Eildon last Sunday. 'Horse Poo Lotto' means selling 100 tickets at \$20 each then waiting for the cooperative horse to poo in a small enclosure, which has been marked out in 100 small squares. Each square was allocated to the tickets sold. The lucky winner of \$1000 was Emma Malley, the daughter of our very hard working President. The club also made \$1000.

GISBORNE by Pat Gilchrist

Gisborne has held its singles knockout for 2011 and the winner was Marianna Devcic. In 2011 the ladies club championships will be held in November at the same time as the men's championships. A team from Sunshine won this year's Gisborne Challenge Bowl.

Last Sunday one of our ladies, Jenny Day, played her first round of 18 holes in nearly two years. Jenny works but has played Dalhousie pennant in the past. She suffers from a rare illness which has affected her hands and feet. She managed not only to play 18 holes but also to walk the course. Jenny has a marvellous positive spirit and it is fantastic to see her playing golf again.

Congratulations to Kilmore, Woodend and Eildon on their wins in Dalhousie Pennant.

KILMORE by Helen Dennett

The current membership is on a slight increase due to free clinics initiated by our WGV Life Member Margaret Fanner and run by our resident professional Troy.

Our Kilmore Bowl held in March was won by a team from Gisborne (Jennifer O'Connor, Fran Crimmins, and Marlene Hodges) with 104 points.

The highlight of 2011 so far for Kilmore was firstly having our two Pennant Teams qualify for the Finals and then having our Division One team convincingly defeat Gisborne (last year's winners) 4¹/₂ to 1¹/₂. It was our first win since 1999. Unfortunately our Division Two team succumbed to an undefeated Woodend 5-0. Thinking that other clubs might be interested in what comprises a winning team I have compiled some facts on those individuals who in 2011 brought home the trophy. The six Kilmore players were Trish Grinter (our team captain), Sandi Wicking (our club captain), Eileen Hall, Helen Dennett, Judi Maywood and Jan Hourigan.

For those Clubs wishing to emulate us, some important facts emerge from my interviews and the table (see it on page 7) Those that play golf and smoke usually place little importance on food. The consumption of a good deal of alcohol is a priority – wine and/or beer. Loyalty to just one Club is essential – no switching to another club just because it seems a better option. High athletic prowess is a notable common theme. All our players have played either competition tennis or hockey or both as well as golf. Obviously these girls do not have time for housework, cooking or many domestic tasks even though their income seems to be solely NTP golf balls and the slow accumulation of P.O.T.Y. points. Another

common theme underlying the careers of these accomplished ladies is that Margaret Fanner was largely responsible for four of the six becoming addicted to the sport of golf at Kilmore. Sandi, Jan and Eileen all started with Margaret's two dollar clinics. Helen came to Kilmore largely because of Margaret's dedication.

So now that we have informed you all of the secrets of success in Pennant we expect the opposition to become much tougher in the years to come. In summary there are four requirements for selecting a dedicated, competitive team – good teachers, addiction to cigarettes, alcohol and physical exercise. If selection becomes difficult you may have to look at which football team they support. Melbourne would have it over the others!

LANCEFIELD by Jenny Colson

What a great start to 2011 for the Lancefield Ladies. We welcomed some new players and now have about 12-15 ladies playing each week. The girls have supported many of the District events this year with some wonderful results. We have travelled to Alexandra, Kyneton, Trentham, Woodend, Kilmore, Gisborne, Marysville and Broadford.

Lancefield entered their first Ladies Pennant Team since early 2000, the girls really enjoyed this event and they did very well in their first year in this type of competition, finishing third in Division 2. We are all looking forward to competing again next year.

Between 31st March and 21st April Lancefield hosted the Mt William Cup, one round of Pennant and the Dalhousie 30+ day. Our girls worked hard and provided great food for these three events. The Mt William Cup was won by Gisborne with 104 points with Lancefield a close second with 103 points.

Some of our girls have been lowering their handicaps with good scores at home and away and also obtaining some Player of the Year Points.

The earthworks at our course are almost completed and we are able to play holes 8 and 9 again. We are thrilled with our new dam and can't wait until the surrounds are all finished. Check out the Lancefield Golf Club Website for details and photos of what has been happening at the club.

MARYSVILE by Lesley Rundle

Marysville ladies golf section has welcomed a number of new members recently all of whom will be an asset to the club.

The recruiting program started in 2010 with the Women's Golf Victoria's excellent 'Give Golf a Go' program. The clinics were advertised locally and many ladies who had 'always wanted to give golf a go' attended. These lessons were followed up by group or individual lessons given by

News from Here, There and Everywhere (continued)

professional Neil Clutterbuck and our own Liz Amos. Following the lessons the ladies played three or four holes accompanied by Liz Amos and Lesley Rundle, focusing on course management and etiquette.

The new ladies then played three nine hole two person ambrose events partnering an experienced golfer. After each game, a shared lunch, and lots of laughs, the winning pair were each given a golf ball. One lady was thrilled when she won 'her first golf trophy'!

With this connection to other new members the ladies began organising their own social games and eventually with support from club members submitted their three cards for a handicap. We now welcome these ladies as full members - one has played in our Pennant team and others are now enjoying playing in the club competitions and some of the Dalhousie bowls and tournaments. It is great to be able to enter two or three teams in some of the Dalhousie events and to have more ladies assist with club events.

During 2009 our playing members were depleted as a number of members had to relocate. We needed to be proactive regarding recruiting and this program has been very successful. For new golfers to turn up for a 'comp.' is quite intimidating so by nurturing these ladies as a group they were able to support each other. These new members are now keen to encourage others to join and are assisting with the next 'batch' of interested golfers.

ROMSEY by Beryl Cole

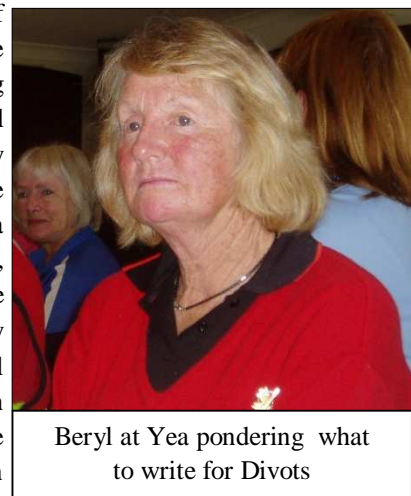

The day at the Alexander Bowl proved a challenge for a couple of our ladies. While out playing, being a little cool both decided to put their vests on. One poor lady couldn't understand how you could put so much weight on overnight as her vest had fitted the day before but now wouldn't stretch across the boobs. Meanwhile the other lady continued to be a little chilly as many breezes were passing into the wide armholes. Much laughter on returning to the car. No winners on the day.

Lorraine, Kath and I enjoyed playing in the Country Tournament in Euroa. We felt like professionals with a late hit off on the first day and an early (7.30am) start the next day. Pity we didn't play like pros. We had to educate the man at the caravan park. He had told us we had to supply our own linen.

Not a problem. We arrived and there was not a blanket or doona or pillow to be found in our cabin. He now knows what is linen and what bedding is. Thankfully he came to the party and supplied great pillows and cosy doonas. The players from down south were all over dressed and we were lucky the fashion police or Woodsy with her camera weren't around to see cords rolled up to the knees with black socks showing, as well as other assorted combinations. Congratulations must go to Euroa for the top condition their course was in.

While at Yea for their Bowl many of us again felt like pro golfers as we were all able to hit the ball out of sight. The fog didn't lift until the last few holes.

Romsey held a successful night golf event on April 8th. We had 32 players. It was interesting to see the glowing balls flying through the darkness and people appearing out of the shadows. The weather was very kind to us with mild temperatures and no wind. After a light meal of tacos we set out to play the 9 hole ambrose, followed by soup and sweets. The winners were the group that laughed the most Kath, Jan, Sharon and Denise. This is even after they put two balls in the dam. Their laughter could be heard well before the glow of their touches were visible. Denise being relatively new and still finding her way around in the daytime proved to be a challenge on the night, the glow sticks on the fairways weren't very bright and her travel and hitting direction in the dark gave the girls much amusement.

SEYMOUR by Glenda Woods

A successful tournament was held in mid May in spite of the drizzly weather with Alexandra winning the first of their three Bowls. Thanks to everyone who supported us and 'stayed to play'.

Congratulations to Ann Wilson who can now officially retire from golf if she wants to as she has recorded her first hole in one! This happened a few weeks ago on a cool Wednesday morning. Ann is a regular 9 hole comp player and on this morning 'aced' the 100m 17th par three. Well done Ann.

STRATHBOGIE by Eleanor Barnes

Congratulations to our pennant team on reaching the final. It was a great effort as we do not have that many players to pick from so thanks to the ones that did play for our club.

News from Here, There and Everywhere (continued)

We are half way through our club championships and Shirley Dash is leading. Our course is in splendid condition as the many players who supported our Bowl would have seen. We had an excellent roll up to our Bowl and congratulations to all the winners.

TRENTHAM by Mary Bysouth

Being a relatively small club, it's not always easy to fill positions. When we had no nominations for captain this year and rather than see us without one, Elaine Hanson 'stepped up to the plate', for which we are all grateful.

Elaine first joined Trentham in 1961. The role of captain is not new to her as Elaine held this position from 1974 to 1976. She was President in 1979 and secretary from 1972 – 2003. Elaine not only has a record of leadership in the club but also one of a great golfer. The years 1962 — 1972 and again in 74, 76 to 79 Elaine was club champion. Elaine played pennant for our club and also represented Dalhousie in country week in the years 1974, 76, 77, 78, and 79. For all her hard work and dedication Elaine was made a life member in 2003.

Elaine tells of times in the past when there was a lot more to being a member than playing golf. In those days all the catering was done in the old club house by about eight ladies. It was hard work using a wood stove with a copper outside for hot water. Tournament morning on men's day started at 6.30am with lighting the fires and preparing a three course lunch AND afternoon teas. On mixed and ladies days there were cakes, salads and sweets always supplied by the ladies. Saturday ladies comp format was, play nine holes and then into the club house to start afternoon tea. Elaine often made sausage rolls and cakes and is still renowned in the club for her sponges. Wednesday ladies comp started at 1pm and the women were always home by 4pm to get the kids off the school bus. It didn't stop at cooking for Elaine as she and Arthur Maloney were responsible for changing the pins! Please remind me when I'm next asked to bring a dessert or make some soup not to complain!!

WOODEND by Denise Doolan

Woodend is in full swing with our busy golfing calendar, for 2011. On April 27th we played the Doris Chambers Foursomes. The winners were Cheryl Garner and Margaret O'Connor. They were very happy and are looking forward to representing the club in October, at Goonawarra. On May 11th, 18th and 25th we played our Club Championships. Kathy Keating won her first Club Championship, with Veronica Sullivan winning the Handicap and Maureen Warrenner winning the B Grade Handicap trophy. Kathy also won the putting competition, which was the telling factor in her victory. Well done Kathy.

Our course is in excellent condition, as always thanks to

our curator Simon Mason. Dawn Roberts has returned to golf, with new sticks, after breaking her wrist. It is great to see her back. Woodend was very happy to win the Division Two Pennant Flag. It was a great day in Seymour, the weather was perfect, the course brilliant, golf excellent. A special thanks to the Seymour Golf Club for all their work. Happy Golfing.

YEA by Jan Wealands

Sixty two ladies came to Yea Golf Club on Thursday, June 2nd for the Club's Annual Bowl. The day started in thick fog but eventually lifted to see blue skies and sunshine. After 18 holes of stableford, ladies enjoyed lunch of homemade soups, hot and cold finger foods and delicious cakes and slices.

Many clubs and delegates from Dalhousie were represented as well as a team travelling from Barwon Heads to join in the competition. An Alexandra team comprising Barb Doyle, Dawn Cann and Sandy Wettenhall won the Bowl with a combined score of 103 points.

Individual winners were Laraine Callander from Yea with 37 points (A Grade), Sue Stoddard from Broadford with 37 points (B Grade) and Karen Sangster from Yea with 36 points (C Grade). The Teams event was won by Laraine Callander (Yea), Jan Wealands (Yea) and Millie Cumming (Mansfield). Nearest the pins were won by Flip Garland (Barwon Heads), Sandy Wettenhall (Alexandra) and Editha Ott (Trentham).

With raffle prizes as well, it was good to see the winnings shared around many clubs. Special thanks to all participants and everyone in the Club who worked to make this event so successful. Thanks also to sponsors L'Oreal, and Ancliffe Chase wines for donating prizes.

PLAYER PROFILE AT YEA

Jan Wealands is now in her third season playing golf at Yea only taking on the challenge that is GOLF after a successful teaching career.

Like so many before her, Jan said she found golf "one of the most challenging things I have ever tried". "It can really get you down but it's most rewarding when you finally start to hit that ball well and your handicap starts to come down", Jan added.

Now playing off 41, Jan has relished the exercise and social aspects of the game by playing club golf, joining Yea's Pennant team and being a regular on the Dalhousie Ladies Bowl 'circuit'. Jan is a valued volunteer helping with club catering and maintenance.

Jan has realized one of her two objectives for 2011 – to win a NTP, and is working on her other – to play off less than 40. If she keeps up her current form she will easily achieve that. Go Jan!! (Editor's note—Jan is doing so well this year she is currently joint leader in the Player of the Year Competition)

DALHOUSIE JUNIORS by Judi Maywood

Not a lot to report. We were all organised for the Kay Mahlook Shield this year: team, accommodation and uniforms all set to go, only to be disappointed to be told the event was postponed due to lack of teams entered, plus Golf Vic, put this event against another major event. Ten teams entered with two districts entering two teams so I can see the problem they had. Thanks to Sue and Mark Hodgson for the donation of the uniforms. Sue spent many hours and time on this; her input to the district juniors is much appreciated. Helen Flentji, who spends countless hours with her juniors, also put so much time in preparing Kim Barker for this event.

We have two girls interested in attending the Anglesea camp held in July, Kim and Tylah. Well done to Tylah for doing so well in the Hidden Valley Ladies Championships.

Kilmore Division One Pennant winners having fun!

LAUGHTER — THE BEST MEDICINE!

I was out walking with my four year old daughter. She picked up something off the ground and started to put it into her mouth. I took the item away and asked her not to do that. "Why?" my daughter asked "Because it has been on the ground : you don't know where it has been, it's dirty and probably has germs," I replied.

At this point, my daughter looked at me with total admiration and asked, "Mum, how do you know all this stuff? You are so smart."

I was thinking quickly and replied, "All Mums know this stuff. It's on the Mum Test. You have to know it or they don't let you be a Mum."

We walked along in silence for two or three minutes as she was evidently pondering this new information.

"Oh...I get it!!!" she beamed. "So if you don't pass the test you have to be the dad"

"Exactly" I replied with a big smile on my face.

An elderly gentleman had serious hearing problems for a number of years. He went to the doctor and the doctor was able to have him fitted for a set of hearing aides that allowed the gentleman to hear 100%.

The gentleman went back to the doctor after one month and the doctor said "Your hearing is perfect. Your family must be really pleased that you can hear again."

The gentleman replied, "Oh, I haven't told my family yet. I just sit around and listen to conversations. I've changed my will three times!"

A golfer is cupping his hand to scoop water from a highland burn on the St Andrews course. A greenkeeper shouts: "Dinnae drink tha waater! Et's foo ae coo's shite and pish!"

The golfer replies: My good fellow, I'm from England. Could you repeat that for me in English!?"

The greenkeeper replies: 'I said, use two hands—you'll spill less that way!"

Did you hear about the thoughtful Scotsman who was heading out to the pub?

He turned to his wee wife before leaving and said, "Margaret, put your hat and coat on lassie."

She replied, "Awe Jock, that's nice. Are you taking me tae the pub with ye?"

"Naw, I'm switching the heat aff while I'm oot," he replied.

Hear about the Irish man who solved the fuel problems — they imported 50 million tonnes of sand from the Arabs and they're going to drill for their own oil!

Last night I was sitting on the sofa watching TV when I heard my wife's voice from the kitchen.

"What would you like for dinner, my love? Chicken, Beef or Lamb?"

I said. "Thank you, I'll have chicken."

My wife replied. "You're having soup. I was talking to the cat."
